

# 2022 MEDIA KIT

# OUR VISION

To transform the lives of nursing families.

# OUR NICHE

According to Google®, the term “breastfeeding” is searched over 3,000 times daily (in the U.S.).

# OUR MISSION

To encourage the growing number of breastfeeding families looking for peer-support online.

We love collaborating with brands that are excited to serve this steadily growing niche in a new and innovative way.

# OUR VALUES

We value high-quality, easily-digestible content with a family-centered approach.
